Haoran Guo

ghr24@mails.tsinghua.edu.cn · Updated: Sep 2026

Education

Tsinghua University Aug. 2024 – present

- Ph.D. Student in Management Science and Engineering
- Advisor: Wei Qi

Cornell University Aug. 2026 – present

- Visiting Graduate Researcher, SC Johnson College of Business
- Faculty Host: Meng Qi

Tsinghua University Aug. 2020 – Jun. 2024

- B.E. in Industrial Engineering (GPA: 3.94/4.00, Rank: 3/67)

Research Interest

- Smart-city operations
- Data-driven optimization
- Analytics for social good

Publications & Working Papers

1. **Haoran Guo**, Sentao Miao, Wei Qi, Jian Cui, Zhenning Dong. Designing Walkable Neighborhoods: A Data-Driven Optimization Framework. Major Revision at ***Management Science***. [Link]
   - **Winner**, CSAMSE Best Paper Award, 2026.
   - **Finalist**, INFORMS Public Sector Operations Research (PSOR) Best Paper Award, 2025.
   - **Media**: 高德联合清华大学最新研究：光“近”还不够！通过技术为商户打造零售选址新范式 (in Chinese), 高德技术; 清华团队出手：如何让人心甘情愿地逛街？ (in Chinese), Mall 先生; Why walkable neighborhoods aren't just about distance, CU Boulder Today.
2. **Haoran Guo**, Meng Qi, Wei Qi. Overworking or Outsourcing: Integrated Prediction and Optimization for Managing Overtime under Uncertainty. Reject & Resubmit at ***Management Science***. [Link]
   - **Winner**, INFORMS Transportation Science & Logistics (TSL) Best Student Paper Award, 2025.
   - **Finalist**, IISE DAIS Division Best Student Paper Competition, 2024.
3. Yiwei Wu, **Haoran Guo**, Jingwen Qi, Shuaian Wang, and Lu Zhen. Ship Refueling Optimization for Dual-Fuel Ships Considering Carbon Intensity Indicator Rating Limit and Uncertain Fuel Prices. ***Multimodal Transportation*** 3.3 (2024): 100138. [Link]
4. Wei Wang, **Haoran Guo**, Fei Li, Lu Zhen, and Shuaian Wang. A Bi-Level Programming Approach to Optimize Ship Fouling Cleaning. ***Journal of Marine Science and Engineering*** 11.12 (2023): 2324. [Link]

Honors & Awards

- **Winner**, CSAMSE Best Paper Award 2026
- Recipient, INFORMS Outreach Scholarship ($1,500) 2026
- **Winner**, INFORMS Transportation Science & Logistics (TSL) Best Student Paper Award 2025
- Recipient, INFORMS TSL Doctoral Grant ($3,000) 2025
- **Finalist**, INFORMS Public Sector Operations Research (PSOR) Best Paper Award 2025
- **Finalist**, IISE DAIS Division Best Student Paper Competition 2024
- Outstanding Undergraduate of Tsinghua University 2024
- Beijing Municipal Outstanding Undergraduate 2024
- China National Scholarship 2022
- Tsinghua University Scholarship for Comprehensive Excellence 2021
- **National Second Prize**, China Undergraduate Mathematical Contest in Modeling (CUMCM) 2021
- **Gold Award**, Department of Industrial Engineering Summer Social Practice Program 2021

Industry Experience

Unilumin Group Co., Ltd. Jul. 2026 – Aug. 2026

- Research Intern, AI for Education

Service

Academic

- Journal reviewer for *IISE Transactions*
- Section Editor, ORAI China (WeChat platform) 2024 – present
- Session Co–Chair, POMS-HK 2025

Tsinghua

- Teaching Assistant, Production Management, Tsinghua iMEM 2026
- Teaching Assistant, System Engineering, Tsinghua MEM 2025 – 2026
- AI Teaching Assistant, Strategic Management, Tsinghua MEM 2024
- Team Leader, Summer Practice Project: "A Day in the Life of a Delivery Rider" 2021
